**About MINTEC Corporation** Established in 1991, Mintec Corporation specializes in the manufacturing and importing of manufactured bamboo flooring. The company's products are sold under the brand name BAMTEX. Mintec serves the specialty flooring market in the U.S. and in Europe with a variety of bamboo flooring products.

**About Wood Flooring International (WFI)** Established in 1998, WFI is the premier manufacturer and importer of exotic wood flooring sourced from around the globe. They specialize in exotic species and selected straight grained/quartered offerings in the common North American woods. Their unique collections are available in a complete array of Flooring Styles which afford a full range of installation choices including naildown, gluedown & floating applications in both pre-finished or site finished options.
